In accordance with the NCKU calendar for the 2026-27 academic year and related enrollment regulations, this notice of course enrollment, coded as (115) Jiao-Zhu-Zi No. 19, was issued by the Office of Academic Affairs on May 5, 2026 to provide registration instructions for course enrollment for the fall semester of 2026.

## Registration and Enrollment Instructions:

- I. **The NCKU Course Information and Course Enrollment System (NCIACES) is scheduled to open for the first stage of course enrollment for the fall semester of 2026, starting from 09:00, July 9.** The website of NCIACES is programmed with a pre-registration function. Please make best use of the pre-registration function in accordance with the operations manual and simplified instructions for course enrollment (<https://reg-acad.ncku.edu.tw/p/412-1041-31862.php>). This function is optional. Use it or not, your rights to course registration during the course enrollment period will not be affected. Latest information will be published on the homepage of the system.
- II. Students are allowed to use the pre-registration function scheduled to be open during each stage of course enrollment from the confirmation stage of required course enrollments (administered by the Division of the Registrar) for undergraduate programs to the end of the third stage of course enrollment. In consideration of internet traffic and potential course changes, the pre-registration function is programmed to list courses regardless of course-designated restrictions or prerequisites. The system will not screen pre-registered courses in terms of enrollment-related setups until the stage of online enrollment for course addition. Accordingly, the pre-registered course list will not be automatically imported into your final course enrollment list. Students are required to complete course addition during the designated online course enrollment stage.
- III. For continuing students, please ensure you can log on to the system before the 1st Stage of Course Enrollment. If you fail to log on to the system with your password, please contact the Cheng Kung Portal Consulting Services of the Computer and Network Center (ext. 61010, 61045). **To increase the effectiveness of course enrollment, the Cheng Kung Portal will not be available for you to log in for course registration during the three stages of online course enrollment.
