Log in with a faculty account

The screenshot shows the login interface for the Course Addition Request Review System at NCKU. At the top left is the NCKU logo with the year 1931. To its right is the text "Course Addition Request Review System NCKU". On the top right, there are two circular buttons for language selection: "中文" (Chinese) and "EN" (English). The main content area is titled "Login" and contains three input fields: "Account" with the placeholder "Employee ID/National ID number", "Password" with the placeholder "Same as Cheng-Kung Portal" and an eye icon for visibility, and "Verify code" with a numeric input field containing "8859". A red "Login" button is positioned to the right of the verify code field. Below the input fields, there are two logos: "KUAP" (Kung University Academic Portal) and "Cheng Kung Portal". At the bottom of the login area, a note reads: "For any problems regarding password or resetting it, please click Cheng-Kung Portal password explanation assignment."
