Home > Course Add Checklist

Online application for course addition for students: From 8:30 a.m., December 20, 2024 to 12:00 p.m., February 25, 2025 . (to 5:00 p.m., February 25, 2025 for instructors).
 Query for the course add checklist: Available until 5:00 p.m., March 3, 2025
 Procedures:
 1. Search for the course you wish to apply for (pay attention to the instructor' s announcement of the course)
 2. Click "APPLY" and enter the reason for your application. You can find the result for your application on the course add checklist. If it shows "Under Review" after 5:00 p.m., February 25, 2025, it means your application is not accepted.
 The reviewer will be the instructor with a star(*) mark for the course with multiple instructors.
 You can find out the results for your course addition applications. The instructor will be informed about the applications by email every day. Please respect the teacher's decision regarding the review results.
 Without special approval, students are not allowed to enroll in courses with more than 31 credits. Violation will result in cancellation of overloaded courses in accordance with the course addition schedule (in descending order of timeline).
